Pediatric Horizon Walker

Instructions for Use

Please read these instructions completely and carefully before applying this product. Correct application is important for proper function of this brace.

Indications: Acute ankle sprains, stabilization of ankle fractures, and post-operative use.

1. Open the boot liner without removing it from the boot.
2. Place the boot flat on the floor and put the foot inside the boot. Make sure the heel is touching the back of the boot.
3. Secure the lining to the leg by overlapping the liner on the top of the foot and at the front of the lower leg.
4. Secure the Velcro straps beginning with the straps closest to the toes.

Use and Care:

Hand wash the liner with mild soap and water and lay out to dry. Do NOT machine dry.

Notes:

For single patient use only.

Warning:

This product is to be used under the supervision of a medical professional. If you experience any pain, swelling, sensation changes, or any unusual reactions while using this product, consult your medical professional immediately.
